

**Shipping Policy**

We ship via UPS and the U.S. Postal Service, and each offers different levels of service. Your order will be shipped by UPS Ground unless not available. UPS Ground requires a street address rather than a post office box.

You must pay all applicable freight charges unless otherwise stated in an offer or promotion.

All orders shipping USPS Priority Mail and UPS Ground are currently shipped within 3 business days. All expedited orders (i.e., UPS 3 day, UPS 2 day, or UPS Next Day Air) must be placed by 8:00 AM EST to ship the same day. NOTE: UPS does not deliver on Saturday, Sunday, or holidays. USPS does not deliver on Sundays or holidays.

It may take as long as 24 hours to process your order. During busy times and depending on your location, it may take up to ten business days for you to receive an order within the United States via standard shipping.
